Guided Discussion Questions

The MFLN Early Intervention team seeks to provide practitioners with resources that support the important work they do with military families. These guided discussion questions are designed to be used with children from ages 3-6 at home or in preschool settings. These questions can be used with children who have a loved one in the military or children who want to gain a better understanding of military life.

My Mother's Wings by Sally Huss

1. What are some things the girl does with her mother when she is home?
2. Why are her friends sad?
3. What does her mom give her before she leaves?
4. What is the mom's job in the military?
5. What does she tell her friend when her friend is sad?
6. What does it mean to be deployed?
7. How do you feel the love of your family member when you are away from them? What job do your family members have?
8. The mom gives the girl her wings to help her from feeling lonely. Has there ever been a time that you have felt lonely? What did you do to overcome that feeling?
