Family Finance Series: Financial Planning for Life Events

In this 90-minute webinar, Dr. O'Neill will talk about preparing for the inevitable circumstances that life throws our way. Divorce, untimely death, health crises, marriage, remarriage, widowhood, home-buying, and retirement take a tremendous toll on finances. Dr. O'Neill will talk about savings and insurance as protective barriers against the financial distress these events can cause. She will also discuss recovery plans to regain lost finances and starting again on a reduced income.

This event is hosted by the Personal Finance and Family Development concentration areas of the Military Families Learning Network.

This material is based upon work supported by the National Institute of Food and Agriculture, U.S. Department of Agriculture, and the Office of Military Family Readiness Policy, U.S. Department of Defense under Award Number 2015-48770-24.
