

**Beyond the
Yellow Ribbon**

Yellow Ribbon Recognition Program

What is a Yellow Ribbon Community?

A Yellow Ribbon Community unites key areas within a community to create a comprehensive network that connects and coordinates agencies, organizations, resources and employers for the purpose of creating access to resources that meet the needs at the local level of Service Members, Veterans and Military Families across the state of Minnesota.

Why Become a Yellow Ribbon Community?

By developing a Yellow Ribbon Steering Committee and partnering with local military leaders a commitment is made to taking action. Communities unite to honor, support and embrace those affected by past and present military service. The outward showing of support enables synchronization of local resources and strengthens the partnership with service providers and military entities. The community's effort transcends the military to any group in need and builds a stronger, more compassionate community.

How to become a Yellow Ribbon Community?

In partnership with a Yellow Ribbon Steering Committee, each community will develop a sustainable Action Plan that is demonstrating their commitment to Service Members, Veterans and Military Families. The community will identify and connect leaders in key areas across the community, leverage existing support activities, meet specific needs of Service Members, Veterans and Military Families and build awareness and commitment throughout the community and take action.
