Permanent Change of Station Series

In February, we will host the first webinar in a 3-part Permanent Change of Station (PCS) series focused on the issues military families face when they receive PCS orders. The **February 12 webinar** will focus on understanding how VA Home Loans work, and the process of using a VA Home Loan to purchase a home. A speaker from Consumer Financial Protection Bureau will discuss some of the red flags or fraudulent concerns to watch out for during the home-buying process. Make plans to attend all three sessions of this 3-part series to learn ways you can better meet the needs of your clients on the move.

Introducing Our Podcasts!

Did you know we produce podcasts? Podcasts are an excellent way to learn more about an issue, while on the go. Smartphone users can even access podcasts right on their phone. We have 2 financial podcast series available on iTunes and our website. The **Money Moment** Series features brief episodes focused on family finances. The **MoneyTalk with MFLN Personal Finance** Series is new, and in each episode Molly Herndon and Dr. Barbara O'Neill discuss some of the concepts touched on in our most recent webinar.
