Guided Discussion Questions

The MFLN Early Intervention team seeks to provide practitioners with resources that support the important work they do with military families. These guided discussion questions are designed to be used with children from ages 3-6 at home or in preschool settings. These questions can be used with children who have a loved one in the military or children who want to gain a better understanding of military life.

Night Catch by Brenda Ehrmantraut

1. Have you ever had a family member go on a long trip?
How did you feel before they left? How did they feel?
2. What game is played in this book?
3. If the boy threw a ball to his dad do you think it would reach him?
4. Instead of a baseball, what do the boy and the dad throw to each other?
5. Is there more than one North Star? When it is night time both the boy and the dad see the exact same North Star! What is something else in the sky at night that they both would see?
6. When the boy remembers that he and his dad see the same stars and moon each night how do you think he feels?
