

SUPPORTING CHILDREN WITH  
**AUTISM**  
THROUGH THEIR DAY

**EVENT LOCATION:**

<https://militaryfamilieslearningnetwork.org/event/30366/>

**CONTINUING EDUCATION INFORMATION:**

This webinar offers CE credits through the Early Intervention Training Program (EITP) at the University of Illinois for providers in Illinois.

Other states have agreed to recognize the CE credits offered through the Early Intervention Training Program (EITP) at the University of Illinois. Check the event page for additional information.

**Attention BCBA's:**

This webinar will offer one and a half (1.5) BACB CE credits during the **LIVE** webinar event only!

**RSVP TODAY!**

RSVP for this free webinar by visiting the event page, using the link above.

## Welcome to the Group: Inclusion for Young Children with Autism

DECEMBER 04, 2019, 11:00 AM - 12:30 PM EASTERN

**ABOUT THIS WEBINAR:**

Child care providers and preschool teachers need to use best practices to successfully include young children with autism and related disorders in their programs. This webinar will discuss best practices for including all children (birth-5) in program activities. Presenters will define what is inclusion and the benefits of including young children with autism and related disorders in child care and preschool settings. They will also discuss best practices professionals can use to include young children with autism and identify social and physical modifications for the environment that could support successful inclusion.

**PRESENTERS:**

**Dr. Mandy Rispoli** is an Associate Professor of Special Education in the Department of Educational Studies at Purdue University and the co-director of the Purdue Autism Cluster.

**Dr. Hedda Meadan** is an Associate Professor at the Department of Special Education at the University of Illinois, a Goldstick Family Scholar, and a Board Certified Behavior Analyst.
