

Going Beyond the Checklist in Emergency Preparedness – Taking Action

FEBRUARY 17, 2021, 11:00 a.m. - 12:30 p.m. ET

Caregivers can play a vital role in assisting families living with disabilities as they plan and prepare for disasters. Participants will gain the knowledge and understanding, especially regarding disability, needed to encourage families to take action now, before disaster strikes. Through an interactive session, military service providers and caregivers will learn essential steps to help build family resilience.

Learning Objectives:

- Identify essential and disability-related items that belong in a family disaster kit.
- Explain the importance of a written family disaster plan.
- Describe at least three vital documents that may help in disaster recovery.
- Discuss ways to build family resilience.

Register for this Session!

**DISASTER AND HAZARD
READINESS
IN ACTION**

This series builds on the basic concepts of disaster and hazard management, including impacts and responses, planning, collaboration, and mitigation.
